COUNSELLING SESSION FOR PARENTS ON 'ROLE OF PARENTS IN CAREER COUNSELLING AND GUIDANCE'

Know Your Aptitude (KYA), is a module of standardised aptitude tests for students of class IX and X, prepared by the NCERT and conducted by the CBSE, to help them find their specific abilities, thus facilitating them, their parents and schools, in taking a joint decision about their future educational and career choices. This test was conducted for students of class IX and X in our school, in the month of February, 2019. While the test results for students of class IX were discussed with them and their parents on the day they got their final academic result, the test results for class X students were kept on hold until after they finished their CBSE Board exams.

On 3 April, 2019, the school counsellor Mrs Vibha Bhardwaj held an interactive session with parents of children of class X, to discuss their children's performance, and also, make them aware of their role in helping their children choose and pursue the right stream in class XI and XII, keeping in mind their aptitude and capabilities.
