CBSE INTER SCHOOL ACTIVITIES: AUGUST 2022

JALANDHAR INDEPENDENT SCHOOLS SAHODYA COMPLEX CONTESTS

A Sahodya School Complex is a group of neighbourhood CBSE affiliated schools, coming together to provide a common platform to students to explore, exhibit and share their talent through various co-curricular and sports contests held throughout the year, at the inter school level. The Jalandhar complex has a current membership of 177 schools. Here is a glimpse of the contests held in August.

CBSE HUBS OF LEARNING QUIZ CONTEST: 10 AUGUST '22

CBSE Hubs of Learning are clusters of four to six CBSE affiliated schools formed across the country. They aim at promoting quality education through self improvement and collaborative growth. APS Jalandhar heads the cluster with IVY World School Jalandhar, NC International School Jalandhar, Darshan Academy Jalandhar, Innocent Hearts School Jandiala Sant Baba Nidhan Singh Ji Public School Kartarpur and St Manu Convent School Kapurthala, as members. The said contest was organised by APS Jalandhar on the theme 'Patriotism', keeping in view the 75th year of independence. All the teams were very well prepared and gave each other tough competition, but ultimately, the team from IVY World School Jalandhar emerged as the winner. It was a real learning experience for the contestants as well as the audience.

RHYTHMIC YOGIS CLUB: ENERGY BOOSTING ASANAS

EVERGREEN WORDS OF WISDOM

मूर्ख बुद्धिमान

वाराणसी नरेश के राज बगीचे में कभी एक माली रहता था। वह दयावान था और बगीचे में बंदरों को भी शरण दे रखी थी। बंदर उसके कृपापात्र और कृतज्ञ थे।

एक बार वाराणसी में कोई धार्मिक त्योहार मनाया जा रहा था। वह माली भी सात दिनों के उस जलसे में शामिल होना चाहता था। अतः उसने बंदरों के राजा को अपने पास बुलाया और अपनी अनुपस्थिति में पौधों को पानी देने का आग्रह किया।

बंदरों के राजा ने उसकी बात सहर्ष स्वीकार कर ली। जब माली बाग में चला गया तो उसने अपने सारे बंदर साथियों को बुलाकर उनसे पौधों को पानी देने की आज्ञा दी। साथ ही उसने उन्हें यह भी समझाया कि बंदर जानित उस माली की कृतज्ञ है इसलिए वे कम से कम पानी का प्रयोग करें क्योंकि माली ने बहुत परिश्रम से पानी जुटाया था। अतः उसने उन्हें सलाह दी कि वे पौधों की जड़ों की गहराई माप कर ही उन पर पानी डालें।

बंदरों ने ऐसा ही किया। फलतः फलनर में बंदरों ने सारा बाग ही उजाड़ दिया।

तभी उधर से गुजरते एक बुद्धिमान गहगीर ने उन्हें ऐसा करने देख टोका और पौधों को बर्बाद न करने की सलाह दी। फिर उसने मन ही मन कहा - जब भी करना चाहता है अच्छाई, मूर्ख कर जाता है सिर्फ बुगई।

Vedic Maths tricks for Multiplication

Vedic Maths is a gift given to this world by the ancient scholars of India. The name Vedic Maths is derived from a Sanskrit word 'Veda' which means 'Knowledge'. It is a collection of techniques to solve maths problems in an easy and faster way. By Vedic methods, 'difficult' problems or long sums can be solved immediately. The simplicity of Vedic Mathematics means that calculations can be carried out mentally. It also lends a helping hand as you progress to higher classes because Vedic Maths always has a shorter way for solving quadratic and other polynomial functions and equations that one would encounter in higher classes.

Squaring of a number ending with 5

In this Vedic Maths trick, you would learn how quickly squaring a two-digit number ending in 5. Multiply the first digit on the left with itself + 1 and put 25 on the end. That is all!

For example: Find $(45)^2 = ?$

Step 1. $45 \times 45 = \dots\dots\dots 25$ (in the end)

Step 2. $4 \times (4+1) = 4 \times 5 = 20$

Hence the answer will be 2025.

Now try -- 25, 35, 55, 65, 75, 85, 95

Ans. 625, 1225, 3025, 4225, 5625, 7225, 9025

Individual Counselling for the students on Study Skills, Time Management, Career-related queries and Adjustment Issues is being done on case to case basis. During Counselling sessions, all students are encouraged to personally send messages to the counsellor for individual counselling, if required, and follow-up is being done.

Parents Individual Counselling is also being done on a priority basis to empower parents and students to develop skills for a smooth transition from online to offline studies.
