

# THE JAPSIAN CHRONICLE

**VOL 2 ISSUE 06, NOVEMBER 2020**

**Monthly E-Newsletter**

**THIS EDITION OF THE NEWSLETTER IS DEDICATED TO MASTER ARJUN BALI  
A YOUNG, BRIGHT STAR WHO ADORNS THE SKY**

**ARJUN BALI**

**06 October 2003 – 16 November 2020**

Master Arjun Bali, S/O Col AK Bali and Mrs Neeti Bali, a tall, handsome, cheerful, well-mannered child from class XII, was snatched by fate, right out of the hands of his parents, while out on a random after dinner stroll with them, in a freak, hit and run incident. An aspiring Air Force Pilot who looked forward to acing his NDA entrance exam, he was also a good sportsperson and fitness fan who played Badminton and Football.

Very conscious of his appearance, he made sure that he was smartly dressed on all occasions. A focused, polite, down to earth, sincere hard worker and true friend, is how his teachers and peers remember him.

As you now shine among the stars in the sky,  
keep shining bright and spread your lively spirit and cheer,  
throughout the universe, for eternity.

**GOD BLESS YOUR SOUL DEAR CHILD !**

## OUR ACHIEVERS... OUR PRIDE

Jorhat, Assam

Ankit Kumar Mondal  
VCSGG Institute of  
Medical Sciences and  
Research, Uttrakhand

A New Activity Introduced

## COMPUTER CODING CLASSES

Seeing how tech savvy our young wards are and how they keep busy playing games, watching films and sometimes, even reading, online, learning Coding, the Computer Language used for designing websites, applications and software, has been introduced as a vocational course for children from class VI-VIII, under the Robotics Club.

Classes commenced this November for 72 students (22 from class VI, 19 from class VII and 31 from class VIII) who qualified in a Screening Test for selection. Classes are held online, every Thursday and Friday. This month they have learnt 'How to Code' via code.org for Web Applications and thunkable.com(Native Mobile App), for designing Applications. Thereafter they have even designed their own Applications and created their own Channels on You Tube for sharing their knowledge and experiences with their peers.

So far, 35 students have received E Certificates from code.org on completion of various training modules.

<b>Individual Counselling</b>	<b>Counselling by the Counsellor:</b> Individual Counselling for students on Study Skills, Time Management, Career related queries, Adjustment issues etc. is being done on a case to case basis. During Class Counselling Sessions students are encouraged to send personal messages to the Counsellor for individual counselling if required. Immediate Follow-up is ensured. Follow-up sessions with parents and teachers are also held to monitor the child's progress.
	<b>Counselling by the Principal:</b> As per requirement, cases from class X and XII are referred to Principal Dr Saksham Singh for her guidance . Parents along with the child are encouraged to meet the Principal for strategic planning and their contribution in the process of overall development of their child.
